

Purpose, Mission, Vision and Values

Purpose:

(a) Promoting and fostering awareness for the needs and the value of literacy and adult skills development within the Northeast region

(b) Serving as the catalyst and coordinator for community-service planning, providing relevant information and referral, and creating learning opportunities and support for the benefit of adult learners

(c) Facilitating collaboration and partnership among member organizations by meeting identified service needs and hosting relevant events.

Mission:

Through strong leadership and innovation, we provide quality support and knowledge for learning communities

Vision:

Adults who prosper through life-long learning to attain literacy and essential skills to actively contribute to their communities.

Values:

Knowledge, Innovation, Cooperation, Leadership
